

Minutes Kings County Amateur Radio Club November 2nd 2020

Present: Fred VE1FA, Helen VA1YL, Bob VE1RSM, Lysle, VE1BVD, Al VO1NO, Kevin VE1BAK, Jim VE1JG, Scot VA1WTF, Robert VE1CSE, Tracy, Richard VE1RPX, Wayne VE1BAB Jeff VE1XTC, Richard, VE1RPX

Meeting started at On Internet 7:30

Lysle operated the meeting. RAC Insurance is possible to sign up for again. RAC forwarded copies to Village of Port Williams. The Fusion project up at the site. They stopped the site. Arrival of Kentville Fire station. Fibre Optics. Has been added to the Building. The KCARC will be on a racket. Looking into the internet. Appeal trip in to the Repeater to the Internet. Our antennas are up on the tower. Art told us that we are protected for the interference because we were up first. Fusion Repeater isn't ordered yet. IRLP & Echolink will be done after the infusion.

Minutes from October 2020. Someone voted the Minutes VE1RSM seconded the minutes from October. No one can see the Minutes. Everyone voted for the minutes.

Lysle has volunteered the Robert VE1CSE has taken the Vice President. Lysle volunteered the VP until the approved Annual General Meeting. The function has passed. Wayne read the report from the Constitution Article 2. There was a miss understanding. When Wayne passed it to Lysle in the Fall, it was OK. February is the Annual General Meeting. Wayne passed the General Meeting in Fall. He found the 1981. Wayne could take over the President until February. Lysle will take over the President until February. Al sounds like we need to update the constitution. Lysle wanted not to pass the Constitution. Bob VE1RSM started to clear up the Constitution. He will send the Constitution to Lysle & Robert. Lysle thinks we should clear up the Constitution.

2 Meter net. On the repeater. Robert VE1CSE is the net controller. Needs the computer to work with the Repeater. 985 Megabit per second at Robert's house. Need WiFi doesn't need to be working.

Treasurer Report Financial report – Lysle hasn't seen it.

Net Control Robert VE1CSE is the Net control. Robert wants to get the computer on the Net.

EMO Al gave a report on the EMO. There is nothing to report.

Band Planning has been upgraded.

Latest Basic Course has just passed. People can take the report.

Lysle has talked to Lauren trying to come here and he decides not to come until spring. Digital Repeater might not start. UHF might not come up.

Wayne has to justify \$2000 dollars from the County. He will phone the County that we can't get the spend the money. The Chronic 19 are not going to be completed. Lysle has a have to hire a climber and he knows a climber.

ARRL Field Day results are open Kings County & Annapolis Valley contests. A different Field Day was different from Other Field Days. Al was ahead of the Canada Field Day.

Canada Winter Contest Fred has been having the shack and operate. Single one transmitter High Power single transmitter. Best in Nova Scotia. 25 Canard St. You can operate December 19th We can use VE1RAC.

Correspondence

The Fire Hall is not open to us.

Wayne votes to adjourn the Meeting.
