- the first name under each venue is the primary contact and the second is the secondary.
- operating spots are 20 minutes long each on a first come first served basis.
- if no one has signed on for the second 20 minute selection it can be made available.
- there is the opportunity to visit different sites, but plan well in terms of distance and time.
- since there are two days of events it is possible to operate from all five (5) venues.
- enjoy the opportunities, get to know the station chiefs, they have a lot of operating experience.
- be cordial and have fun.
